Discussion between [REDACTED]-Mrs. Sanders and [REDACTED]

Project has been approved. Alterations now proceeding [REDACTED]

25X1A

Only problem now is to set up the positions and present them to Classification for approval. Have discussed the job titles and duties with us, and have requested that we sign off as having approved before it goes to Classification although TSS realizes that our approval is not necessary.

Will contact us when paper is ready for submission.

Project--smallest feasible technical unit to get pproduction.
